### School Performance Grade:

School Performance Grades were issued as required by the NC General Assembly. All public schools in North Carolina have been assigned an A through F letter grade based on achievement and growth. The achievement score is worth 80% of the school performance grade, and the growth score is worth 20% of the school performance grade. After combining these 2 values, the score is placed on the following scale:

- A: 85-100 points
- B: 70-84 points
- C: 55-69 points
- D: 40-54 points
- F: Less than 40 points

Schools may be designated with an A+NG if, after being assigned an "A" using the school performance grade calculations, the school does not demonstrate significant gaps between subgroups that exceeds the state gap on achievement/graduation rates.
