Dear Parents:

We are busy preparing for the opening of school year 2017-18 and are looking forward to welcoming new and returning students. This note is to inform you with some basic information regarding our plans to provide an even better instructional day for your child. You will be receiving correspondence with more details about the instructional program prior to the first student school day which is Monday, August 28, 2017.

Thank you very much for the strong parental and community support you provided in school year 2016-17. Together, we accomplished many goals: a positive culture, a safe place where students enjoy learning, high student achievement, a foreign language offering to every student, playground expansion, school nurse, and many more initiatives which were successfully completed. You are again invited to volunteer in 2017-18 for as much time as your schedule allows. Please complete the volunteer registration located at www.acacharter.com. An effective Charter School depends on parents volunteering!

We hired an Assistant Principal, Ms. Monica Kuznar, a North Carolina licensed educator who comes to us with a wealth of educational experiences, especially in curriculum. In her 23 years of education, Ms. Kuznar taught every elementary grade and enjoys the love of watching students learn. Ms. Kuznar will be a great addition to the Academy and looks forward to meeting each of you.

In order to enhance the instructional day and maximize curriculum learning experiences for students, the school day hours for third through fifth grades (3-5) will be 8:00 a.m. – 3:30 p.m. The hours for kindergarten through second grade (K-2) will be 8:00 a.m.– 3:00 p.m. This staggered dismissal is developmentally appropriate regarding the instructional time for kindergarten through second grade and is also intended to ease traffic congestion. We are asking for your help so that the school day is maximized for instructional time and the car rider line runs smoothly. We realize there are some students in K-2 who have a sibling(s) in 3-5. There will be a designated car rider wait line for K-2 parent/guardian(s) who choose to wait for the 3:30 dismissal. If that option does not meet your needs, you may choose to enroll your K-2 student in Adventure Club (a supervised child-care program). There are several options available for your convenience. If you are interested in signing up for Adventure Club please go the school website www.acacharter.com or email: adventureclub@acacharter.com.

Upcoming Dates: Meet the Teacher Night will be August 23rd, K-2 from 5:30 p.m. to 6:30 p.m. and 3-5 from 6:45 p.m. to 7:45 p.m. We look forward to seeing you there!
